Does President Gamal resign?
 Organized by the Turkish Cypriot Association of Sports Writers' Sports Vision Training Seminar Hotel, outgoing Finance Minister Ersin Tatar CRATOS yesterday to join with the President of the Nicosia Turkish Municipality Cemal Bulutogullari acrimonious debates between, including President Dervis Eroglu continued in an environment. Bulutogullari in recent days by participating in television programs, the law of interest because of the use of harsh statements Ersin Tatar Minister of Finance has led to tense. Tatar, Bulutogullari in criticism for the high tone, while a certain discomfort by President Eroglu, the debate has been restricting growth.

reporter, after the discussion refers to the views of Bulutogullari, Tatar told him "mercilessly egestiriyorusun me on television," he said raising the volume, "When it Sinitirndigi! always been doing. Talking loudly and making hand-arm movement. But between us was not a physical fight," he said. When the lecturer, will resign in the interest not be taken back to the law that says Bulutogullari "die before I enter my own in a fight ministers will reach the physical act," he said. "one should be helping people" sub-committee by the Council of Ministers approves Interest Act ' For the first five years, indicating that improvements in Bulutogullari, from 2010 until 2005, said the failures and to improve the Turkish lira. Bulutogullari, 2005, for the next victims has not been improvement, especially in the field of foreign exchange, he added. Bulutogullari, unable to pay debts due to the economic crisis, people from improvements to be made to the law, stressed the need to go at a reasonable discount. this reduction is then applied to helping people at a reasonable interest rate that tells the Bulutogullari, "a reasonable interest rate, a reasonable deduction should go," he said.

"I told the Prime Minister" Bulutogullari, Ersin Tatar Minister of Finance is working to help in this regard yet reached by specifying the minister said. Interest on the Law of the Prime Minister calling on him to tell them Bulutogullari İrsee Kucuk yesterday, that there were other victims were also ready for this meeting. "Banks should be savvy" Bulutogullari, "Interest Act, we are going to do as a government, the people should be off by saying" this law is six months, will be made temporarily highlighted. Bulutogullari who think the banks should be the approach of understanding the subject, "This money funds the banks dead. Showed that the balance sheets as dead money and not pay tax in a money. Banks ease up on this issue if all of the people, the customers will find these people again. Otherwise, these people are not going," he said.
